Term Three's Exciting Events!

Dear Parents,

We are very excited to be beginning another semester with our stage two students. This note is to provide a quick overview of various events planned for this term. Additional notes will be sent home closer to the dates of these events to specify time, place, and other important details.

These events include;

- Indonesian Day
- Touch Football Gala Day
- Stage Two Camp

Our Geography topic this term is 'Our Neighbours', and as such we will be looking at Australia's place in the world and examining the features and characteristics of neighbouring countries. We will be focussing on Indonesia and are looking forward to exposing our students to various aspects of the rich Indonesian landscape and culture. We will therefore be hosting an 'Indonesian Day'. Students will be welcome to bring an Indonesian style dish or artefact, and will participate in a number of activities designed to enrich their learning in this area.

The Touch Football Gala Day is an exciting opportunity for all stage two students to build their sportsmanship and skill in friendly competition with other schools. We will be preparing for this event throughout the term. Teams will be organised prior to the Gala Day.

The Stage Two Camp is a highly anticipated event that will be held towards the end of term 3. Our overnight excursions are enjoyable experiences that allow the children to build their confidence in being away from home for short periods of time. Parent helpers are highly valued as they assist in the smooth running of activities. A note will be sent home shortly advising you of the dates for the camp.

Sport this term will continue to be on Wednesdays. Homework will be sent home each Monday, expected to be returned on Friday.

If you have any queries, please don't hesitate to contact us.

In Christ,

Mark Finn and Genevieve McMahon
