

*"To raise up effective leaders of godly character who will blend academic achievement and biblical truth, to influence society for the glory of God."*

## JUNIOR SCHOOL SURVEYS

27 July 2017

Dear Parents,

A priority at OCS is to work with parents to provide an excellent learning environment for their children, together fulfilling the vision of our school stated above. Hence our teaching and learning plans support the three pillars of OCS: Discipleship, Academic Faithfulness and Parent Partnership.

We would greatly value your feedback on these aspects of your child's education at OCS. Attached to this newsletter is a short survey that asks for your responses about topics such as communication, academic work, homework and extra activities.

Please be completely honest with us in your responses. We aim to serve you and your children through our work at school, and your thoughts and opinions are incredibly important in what we are doing here. All responses will remain anonymous, unless you indicate otherwise.

We appreciate your time and effort in filling out this survey. Please complete **one per child**. If you need extra copies, they will be available at the front office.

**Completed surveys can be returned to the school office** or alternatively, bring them with you when you come for Parent Teacher Interviews next week.

Please feel free to contact me at school if you have any questions, or would like to discuss something from the survey in greater detail.

Thanks,

Cathy McPhee  
*Junior School Coordinator*
