

24 August 2017

Stage One Parent Meeting
Tuesday 29 August
@ 2:30pm

Dear Parents,

Here we are already half-way through term 3, which is when we indicated at our previous meeting, that we should meet again.

We identified the following initiatives:

- closely monitoring our Stage 1 classes
- providing more learning support in the Year 1 class
- discussing strategies with the stage 1 teachers re more class time together as a group
- Parents into the classrooms
- And to keep talking with you, the parents

Even though we have received great feedback we want to honour our commitment to you, to meet again to touch base, to simply check in with our families.

We do value partnering with you as we endeavour to provide ideal classroom environments that promote positive educational experiences.

Please join us next **Tuesday 29 August at 2:30pm, in the C1 classroom**, to pray together and to share your thoughts.

Yours sincerely,

Cathy McPhee
Junior School Coordinator
