Parents:

This is a fantastic opportunity to become better acquainted with your child's peer group and teachers. At least 6 parents are needed to help with supervision, cooking and driving buses – HR and LR licences required. There will be a **meeting on Monday, 14th August at 5.15pm**, for parents who are looking to assist.

Please complete the attached parent response section and student medical form to return to the office by **Wednesday 9th August**.
