Year 7 2018 Information Night

Dear Parents

2017 is going by so quickly and many families are planning for 2018. Knowing how important your child's education is, we are inviting you to our Year 7 Parent Information Evening on **Tuesday 8th August 2017, 7.30pm at OCS Library Learning Centre.**

Recognising this is a time of big transition for some students moving from Year 6 to Year 7, we aim to introduce to you the structure of Middle School and discuss how this achieves a positive program in the changeover. You will also get to meet with many of the secondary team and hear about the extensive educational opportunities OCS has to offer.

The event is for those contemplating our school for 2018, parents of younger children who might like to begin their planning early and our OCS parents and students. We therefore would like to keep the evening as open and inviting as possible. Over the past few years we have seen an increasing number of new families joining us for secondary education. This evening therefore is a great introduction to our school. There will also be plenty of time for chatting and questions over supper.

We encourage you to come to the evening to hear about our Stage 4, Year 7/8 Technology program and the links it has to further studies in VET (Vocation Education and Training) in conjunction with Bembooka Trades Skills Centre. We would also like to share about our amazing band program and our exciting cross-curriculum STEAM (Science, Technology, Engineering, Arts and Mathematics) focus.

Please extend this invitation to anyone you know that might like to come along and find out more.

Please RSVP your attendance at the information night to me through the front office, phone 63627258 or email jdasilva@ocs.nsw.edu.au, by Friday 4th August 2016.

Yours in Christ

Jenni da Silva
