

Tuesday 22nd August 2017

NSW Sport and Recreation Touch Football Gala Day

Dear Parents,

We have been given the opportunity to join the NSW Sport and Recreation Touch Football Gala Day. This is a one day competition where students play modified games in teams of 6.

Usually the day includes between four and six games, depending on the number of schools and teams entered. The aim of the day is to teach and enjoy touch football and hopefully increase participation in local club competitions. It is also an opportunity to work on cooperation and sportsmanship in a competitive environment. We are looking for parents to assist on the day. This would involve staying for the day to make sure teams are in the right place at the right time.

When: Thursday 31st August 2017

The first games start at 9:30am and conclude in time for children to return to school by 3:10 for their normal bus.

Where: All games will be held at the Waratah Sports Complex. Children will travel to and from the venue by bus.

Children will need to:

- *wear their normal sports uniform including their hat. Most of the day will be spent playing in the sun so children should also bring sunscreen to reapply during the day.
- *bring normal lunch, snacks and **extra drinks**. There is no canteen or other shop at the venue. There are no easy places to refill water bottles or to access drinking water.

Yours in Christ,

Matthew Cordery - Supervising Teacher

I understand the arrangements for my child _____ to attend the Touch Football Gala Day on Thursday 31st August 2017 at Waratah Sports Complex. I also understand that my child will be transported to and from the venue by bus.

I am happy to help by staying with my child's team for a part of the day. I could do this from _____(time) to _____.
