Code of Behaviour

We would like you to discuss the points contained below with your child before we leave, and both you and your child sign as a contract the form below.

We will discuss these ideas at school so that we are supporting each other, trying our best to create an excursion which is positive, productive, safe and fun.

- Our visit forms a part of our school lessons and we need to be **dedicated to learn** as much as we can from the experiences we have together and to **help each other learn**.
- **We will be guests in other people's places** – the bus, accommodation, etc. We need to **live by their wishes and standards** not our own.
- A large group of children in crowded places needs to work hard at keeping together – **we will observe group rules** even when at times we may want to do something else.
- We need to **obey instructions from any adult promptly** – teacher, parent, coach driver or tour guide.
- We will be **good listeners**.
- We will look for ways to **be a generous helper**.
- We will **look after our belongings**.
- We will **be ready** on time and at the **right place at the right time**.
- Be ready and find times to **thank people**.
- We will sit quietly during meal times and **eat with good manners**.
- We will **maintain a tidy space** in our accommodation and on the coach.
- We will **respect people's need to sleep** – as we learn best when we are well rested.
