Music Festival – Volunteers Needed!

Dear Parents,

In two weeks' time, OCS will be filled with the amazing sounds of instruments and voices as we enjoy the CEN Combined Music Festival. With nearly 150 OCS students and 200 students from other schools, as well as visiting music tutors and teachers, our school will be an exciting and energetic place to be.

To feed all of our festival participants, we have put together a student Catering Team, headed up by the talented Mrs Sonya Wratten. The team are in need of some extra helping hands for meal times, to aid in final preparations and serving food. No special skills necessary! If you are able to assist with one – or more! – meal times, can you please fill in the slip below and return it to the front office.

You can also email me with details of your availability (pcooper@ocs.nsw.edu.au).

Yours in Christ,

Peter Cooper
Performing Arts Coordinator
