## Year 9 Enrichment Day: 'Pushing the Boundaries'

Dear Parents,

'Pushing the Boundaries' is a Year 9 enrichment day run by Covenant Christian School, Belrose. It will take place on Friday, 26 October 2018.

This is an opportunity to extend students' learning in an engaging way. Students will work with others to develop higher-order thinking and problem-solving skills. Workshops will be run by qualified professionals who aim to extend students in specialised areas.

We will be leaving school for Covenant at 4:45am on 26 October and returning at 7:30pm.

Students will need money for dinner at McDonalds. They will need to bring breakfast, their normal morning and afternoon tea and snacks as required. They may bring lunch or purchase it at the Covenant school café.

Students will choose from a range of workshops, ranging from creative writing, mathematical problem solving, engineering and drama. A brochure outlining the options has been given to students separately.

If you have any questions about this excursion please contact me on the number at the foot of this page.

Yours in Christ,

Len Elliott  
Senior School Co-ordinator
