

Stage 5 Sport, Term Three

8th August, 2018

Dear Parents,

We are proud to announce that this term Stage 5 has the opportunity to participate in a range of sporting opportunities that extend beyond the usual school sports program.

Some students were surveyed at the end of Term Two and a range of sporting options were followed up. We have a large number of students who will be taking part in a training course run by the Rural Fire Service (RFS). This course provides excellent hands on experience of what it may be like to be in the RFS. Students who participate in this activity will also receive a certificate at the end of the term.

The second group of students will be travelling to Flip Out, 30-44 Edward Street, Orange as well as using walking tracks around the school for exercise on alternate weeks. This group of student has been selected based on their ability to wear the correct uniform for PE and Sport in Terms 1 and 2, as well as their general behaviour in these two areas. A form will be handed out to those selected; this will need to be returned before Friday 10th August 2018. Students will be transported to and from Flip Out in teachers' private vehicles.

The final group of students was keen to stay and participate in sport at school. These students will participate in a range of sports at school in pre-organised teams. Activities may include: Touch Football, Basketball, Mini Tennis, Archery and Ultimate Frisbee.

Should you have any questions about any of the programs, please feel free to contact me through the school office.

Yours in Christ,

Dominique Hutchinson
Stage 5 Sports Organiser
