'CONSEQUENCES' RESCUE PRESENTATION
Naylor Pavilion, Orange Showground
10:30am – 12:00am, Wednesday, 12 September 2018

Dear Parents,

OCS will be participating in the 'Consequences' Rescue Presentation for Year 11 students from Orange.

Students will be participating in a presentation conducted by local emergency responders, including

NSW Police
NSW Fire and Rescue

NSW SES
NSW Ambulance

NSW Rural Fire Brigade
Orange City Council

The presentation is designed for Senior students as a 'real' (as possible) rescue scenario.

The presentation will include a simulated crash scenario, in which emergency services will use retrieval equipment on a motor vehicle. This will be followed by a discussion and de-brief session.

The presentation aims to provide students with an insight into the role emergency services play in the event of a motor vehicle crash. Students will also receive key information about the consequences associated with dangerous driving and poor decision making.

The crash scene will be filmed. This footage may include students, and may be used on social media and will be streamed to the audience for those who have a poor view of proceedings.

It is intended that the images taken may be used to make a short film as a 'post demonstration message'.

Please be aware that an event of this nature **contains graphic content**, which may be unsettling for some students. Some students may have been exposed to traumatic experiences in the past.

If you feel that your child **should not** attend this presentation, **please return the 'opt out' note below**. The student will be supervised in the Learning Hub instead. We can facilitate further counselling support as required.

If you have any questions please feel free to contact me on the number below.

Yours in Christ,

Len Elliott
