Move to Learn 2018

15 October 2018

Dear Parents,

We will be re-starting our K-2 Move to Learn programme, from week 3 to week 7 this term. To assist with the smooth running of this important 5-week programme, we humbly request your support, once again. We have included an outline of what to expect, if you are able to assist.

What to expect:

- we meet outside the Kinder rooms to line up
- you will have a mixed group of 9-10 Kinder to Year 2 students
- an activity and how to do it will be explained to you
- all equipment will be set up for you
- you will need to direct the students through the activity for approximately 5 minutes
- a whistle will blow and the students line up behind their leader and move quietly to their next activity
- you repeat the same activity with a total of 3 groups for the morning
- there is always a supervising teacher to oversee the activities
- if it is raining please check with us to see if we have moved activities inside

You need to:

- arrive 5 minutes **before** school starts so that you can be familiar with the activity and we can start as soon as the bell goes.
- ring and let us know asap if you can't make it so we can arrange another helper
- let us know if you have any difficulties with activities or students so that we can assist

Please mark on the form below the days that you are available to help and return it by this Friday 19 October to the office. We will send home a roster the following week to let you know when you have been rostered on.

Thank you for your continued support.

Yours in Christ,

The Junior Team
