

## TOUCH FOOTBALL GALA DAY

21<sup>st</sup> September 2018

Dear Parents,

On 27<sup>th</sup> September all students in Stage 3 will be attending the NSW Sport and Recreation Touch Football Gala Day at Waratah Sports Ground.

The aim of the day is to teach and enjoy touch football. It is also an opportunity to work on cooperation and sportsmanship in a competitive environment.

Students will participate in between four and six games, depending on the number of schools and teams entered.

Parents are also invited to assist on the day, which would involve staying for the day to help and encourage the teams.

**When: Thursday 27<sup>th</sup> September 2018**

Students will be transported by bus. The first games start at 10am and will conclude in time for children to return to school by 3:10.

**Where: Waratah Sports Ground.**

**Children will need to:**

- Wear their school sports uniform including their hat. Most of the day will be spent playing in the sun so children should also bring sunscreen to reapply during the day.
- Bring their normal lunch, snacks and extra drinks. There is no canteen available.

Yours in Christ,

Mr John Green  
Stage 3 Teacher
